ACKNOWLEDMENT

I want to thank to my all Teachers, work mates and friends from their helpful suggestions , motivation & inspirations for writing this book.

Additionally, I am grateful to my Elder brother for his support , coopration & enthusiasm in preparing this book.

Commendations go to Mr. Naveed Toofani & Zahidullah for designing , assistance & Marketing of the book.

I deeply appreciate my family's support, and big thanks to my father for being a great motivator.

I am proud to present the (**2018 Essential English Words**) a book that makes learning vocabulary pleasurable and meaningful.

Sharpen your English by using these words in your speaking.

Best esteems,

Ebadullah nooristani

INTRODUCTION

If you already speak some English and feel that your vocabulary treasure is not adequate for communicating. And would like to memorize more daily used words. Then you have purchased the right book.

One of the keys to strengthen your English ability is learning more and more words and learning these words can excessively increase your English capability.

This is a self-help book. If you use it intelligently, you will help yourself to strengthen and expand your word knowledge. The words you will learn, moreover, are essential and they are known and used regularly by educated people. You will find that such words as squander, rehabilitate, blunder, obesity, and 2000 more will turn up in your newspapers, in the magazines you read, in books, on television, in the movies, and in the conversation of the people you meet daily.

Everyone has three vocabularies in every language he or she speaks: a reading vocabulary, a listening vocabulary, and a speaking vocabulary. You've read words you have never heard, and heard words you've never read. Your speaking vocabulary may ignore many words you have either read or heard but do not use. As you explore the vocabulary in this book, think about bringing these three large sets of words together into a rich and useful database that will serve you well.

Approximately 2000 words in this book along with the additional target words presented in the translation & examples part are the most useful words in English.

These words were chosen because they occurred many times in different levels of learning.

Furthermore They are useful in both spoken and written English. No matter what English course you are studying, the words in this book will be of value to you.

Good luck adding words to your everyday English learning!

EBADULLAH NOORISTANI

Dedicated

To my eldest brother who always supported, inspired & encouraged me
throughout my learning & teaching.

May Allah fullfil his wishes and grant him long life.

بسم الله الرحمن
الرحيم

In the name of Almighty Allah

The Most merciful, the most compassionate
